

Norden Club

of Lincoln

Founded 1947

Monday, April 6, 2020

Dear Norden Club Members:

Here is hoping that you and yours are well and safe!

Regretfully, we must cancel our May 18 Quarterly Dinner Meeting and Program and our April 28th Board Meeting. Unfortunately, we have had to forego the tasty meals and good speakers arranged for the March and May meetings. Our next club newsletter will be published in September, but we plan to keep in touch with you via email or letter during the summer.

Please know we all appreciate your dedication, membership, support, and participation in the Club. We are looking forward to having the ongoing members celebrate with the new member as soon as it is safe. Presently we are planning to have an August 11 Board Meeting and our Monday, September 21 Quarterly Meeting and Program with our scholarship winner, Blake Kinnaman, as our speaker.

Ingrid is busy sewing masks and I have risen to the level of my competence – cutting out rectangles of cloth. We are well, but I think we Scandinavians should let President Trump know that lutefisk could be a great Covid 19 preventative...it ought to kill most anything! Take care and be safe. Keep in touch with Club members, family, neighbors, and friends.

Del Stites, President, Norden Club of Lincoln

PS: The Scandinavian Midsummer Festival – Omaha has been cancelled and will next be held Sunday, June 13, 2021

Overheard: Sven to Ollie: “I jyst herd on the radio that Iris is causin lots a trouble!” Ollie: “Ya, you bet! I tink the government should do somethin bout this Iris problem!”
